Dear Nili,
Further to our call this morning, by way of this mail, I would like to introduce you to James Zhang, our VP China, who manages all our operations in China. James is aware of your pending visit to Shanghai and he is also in close contact with David Yarden. Please feel free to contact James directly, both for the potential visit to our labs and with respect to any other help you and Ehud may require.
Best regards for the New Year,
Stanley

Hi Stanley,
I have been in touch with Davidi Yarden based in Shanghai and got a cc of

his e-mail to you. It seems he is advancing quite nicely.
I am going to China and will meet him.
In case you have a message, new ideas, material you would like to convey, we could meet and discuss.
I will leave this Saturday night (January 3rd) and will be in Shanghai on January 15th.
As I don’t know if you are in Israel, I don’t call, but you can call me on my mobile 0544809180.
best
